

ACVIM Foundation, Chase Away K9 Cancer & National Duck Dog Challenge Event Sponsorship Form

Sponsor a team in our fundraising event!

The National Duck Dog Challenge is hosting an event along with the ACVIM Foundation and Chase Away K9 Cancer to fund research for canine cancer prevention and treatment.

About the Organizations Involved:

The National Duck Dog Challenge:

The NDDC is a game for competitive dog handlers, shooters, and bird hunters. In cooperation with landowners, dog clubs, organizations, and preserve owners across the United States and Canada we are making the National Duck Dog Challenge the biggest game in competition shooting and dog events. Learn more at www.nationalduckdogchallenge.com.

ACVIM Foundation/Chase Away K9 Cancer:

The American College of Veterinary Internal Medicine (ACVIM) Foundation is a non-profit organization created in 2000 to support and advance the work of specialists addressing the diagnosis, prevention, and treatment of animal diseases. Their foundation supports:

- Communication about the results of these studies to the veterinary profession and general public
- Educational opportunities for ACVIM Diplomates, residents, and veterinary practitioners
- Improved training of residents and veterinary students
- Specialty Medicine Public Awareness

Learn more at www.chaseawayk9cancer.org or www.acvimfoundation.org.

What does it cost?

Each team sponsorship is only \$375 and completely covers that team's entry fees for the event. Your obligations end here- no presence is required at the event.

What do I gain?

Aside from helping a great foundation, you'll receive the following:

- Your name/organization name in the catalog/program for the event
- A banner advertising your organization displayed at the event
- Any clothing (shirts/hats) provided by your organization will be worn by your sponsored team

Contact us to learn more:

Call Jerry Rainwater, President of the NDDC at (503) 349-1892 or email duck-dog@live.com

To submit your sponsorship, please fill out and fax this page to:
